Chapter 1

Rose

Rose was a 15 year-old girl with big dreams. She wishes to be an author when she grows up. Rose's parents are divorced, so she lives in two homes with her older brother Ben, who is 17. Rose also has a best friend which is Sam who is also 15. They have been best friends since as long as they could remember. Sam also has a twin named Ari. Now let's get to the story. So one day, Rose was sitting in the tree silently reading. Just then, a pink light came, and Rose was tempted to follow it. She followed it to the forbidden forest. There were rumors that it was magical. So further and further she followed until she got lost in this forest. She fell into a portal. "AAAAAHHH," Rose screamed.

.....

"What...happened?" Rose asked as she woke up. It appears that she was in the hospital. (wow I thought I was about to die I guess I got saved) Rose thought, but then she realized that everyone had wolf ears and a tail. "AAAAA" she freaked out. Then she realized this was a different realm, and that when she fell into a hole. It wasn't a hole it was a portal!!! (omg i'm in another realm this is insane)

...

After she got discharged from the hospital, she decided to go to a school in this realm. Meanwhile, she will figure out how to get out of the realm.

(sep/6/2018: aka first day of school) she thought, as she was getting ready. This school also had dorms. So she didn't have to pay rent anymore. When she arrived at school: "let's see I have-OOF" she bumps into someone and sees the mark on his check. (It was an alpha?!) she knew because she did research. She also knew that most were cocky and stubborn. "I'm so sorry I-" "WHO DO YOU THINK YOU ARE TO COME AND BUMP INTO ME!!!" the alpha screamed. "I'm giving you a warning if you bump into me again I'll have no choice" the alpha said viciously "Umm ok" answered rose. "You're supposed to call mr. alpha" the alpha said "ok!" answered rose. Some people snickered, "NO MR.ALPHA!!!" the alpha screamed "ok fine Mr.AlHa OoOoOo" Rose said as she left. She went to the first period all annoyed. "I would like to introduce you guys to our new student Rose Alfontez!" the teacher announced. Rose entered the room and everyone immediately recognized her from the event. She sat down and started reading, not paying attention in class at all. The girl behind her was a girl named Maya. "Umm hi I heard you were the girl who stood up against him" "umm yeah so?" "SO???" maya exclaimed "no one ever fights with the alpha. "Umm well ok" Rose said as class ended.

"I'm Rose, what's your name?" "I'm maya it's nice to meet you" she said as they walked to the next class.

Chapter 2

The friends

"So you like to read?" asked Maya at lunch time. "Oh I love reading. It's one of my favorite things to do." Rose answered as they walked outside to eat. They then sat near a tree and started eating. Rose and Maya talked all about their favorite books and authors. "Oh and the giver-" "yeah I felt bad for Jonas in the end he had to suffer that whole time" "I know, right" after they were done and their lunch break was over maya had to leave." ok I gotta go" said maya getting her stuff. "I can stay for a little longer because I have a period off" "ok see ya!" said Maya walking away. Rose sat there for the next 2 hours reading. She lost a lot of time while she was reading. So right after that the alpha was skipping class as usual and saw Rose reading. So he came up to her "Whatcha reading?" "AH you scared me" replied Rose. "oops sorry, but what are you reading?" "just rereading the giver" replied rose. "Cool cool" the alpha sits right next to her, and puts his face next to hers. "Umm" Yes i'm very aware it's to see the words and read along" the alpha replied "wait.. You like to read??" asked rose. "Yes I do I know you don't see it but.." the alpha stopped "and?" "Well I protect myself because everyone does not really care about my feelings because I'm the alpha and I'm supposed to be the bad one that you need to stay away from and stuff....." "OK so you like reading?" "yeah I mean my mom read books before she died-" "OMG I'M SO SORRY" rose apologized "it's ok she died 10 years ago" replied the alpha. "Umm so what's your name?" asked Rose "Well no one knows my real name in this school at least...but if you must know...call me Jacob" "Well I'm rose" replied rose.

.....
Ten minutes later, they were shAring the book and reading it quietly. "Omg why jonas!" "I know right? Jonas didn't deserve that" they kept reading until school was over. Maya came up to them and said "huh what are you doing with the alpha?" "umm maya aren't you supposed to be in class?" asked Rose, "umm school is over." "OMG REALLY OH NO!!!" "omg calm down it's okay." Rose came to see the alpha, but he was already gone. (he ran away..because he was scared!!!). Rose thought as she came towards her dorm. She opened the door and omg it was maya!!! "Oh you are my roommate that's awesome!!!" said maya. "Wait, according to this roommate list there's supposed to be one more roommate. "Really?" asked rose "yeah it says so right here"

Chapter 3

The "other" roommate

"So it's a Heather I guess" Maya said with a sad expression "well let's just hope that they are nice." Rose said hopefully "Ummm I'm so sorry for being late I was doing homework in the library!!" heather said with an apologetic expiration, on her face. "Umm well hi heather are you new here?" asked maya "ummm yes actually" said heather. "I needed my way to the library so yeah to pick up some books I said homework because there was a book assignment to read a book by the end of the week..." heather answered weepily. "Umm ok well you seem nice" said maya. "Well I hope we all have a wonderful year guys" replied Rose.

7:03pm : "Well I guess it's time for dinner!" Heather said happily. "I'll order the pizza," replied Rose. During dinner, "oooooh what podcast should we listen to while we eat?" "umm do listen to 6 minutes?" "no" replied. Rose and Maya. "well you should!! Anyway I'm only on episode 9 I mean there are only 9 episodes right now ""ok let's see" while listening to the podcast, "umm hi I just wanted to check on you guys to see if you are doing alright!!" said the principal. "Umm well I'll leave you guys to it!!"

Fast forward 7 months and Maya, Rose and Heather have become very good friends over time. And on her period off she would read with the alpha secretly. "Umm so which book should we read today?" Asked Rose. "Umm how about this?" Answered Jacob

A WRINKLE IN TIME

"Umm sure" said Rose. They would finish a book by the end of the period and then Rose would go to class. Her relationships with The alpha, Maya and Heather were strong and were not going to break easily; One day though, Rose's secret was in the air. Rose was in the library just collecting books when heather came in the room. "Oh hi heath-" "I know your secret Rose" "and? What is it? Is it that I secretly read with someone or oh! I came home late, come on-" "Your human..." heather said coldly. The room went silent.. "How?"

Chapter 4

The secret

"How do you know my....my secret??" Rose asked with shock on her face.

"Well....I listened to you at night. I don't usually sleep anymore so I have been listening to your plans, all of them..." answered Heather. "Look please don't tell anyone I don't wanna be locked up and stuff" pleaded Rose "oh I wasn't planning to, but in fact..I also human..." answered Heather "what....your too? How long have you been here?" asked Rose even more shook then she already was to begin with. "For about a good 2 years, and trust me when I say this, I think there is a way out, but it's definitely out of our grasp" said heather "umm well I'll find a way!" exclaimed Rose. "well we can work together at

night though!" requesting heather. "Alright it is settled then.." said rose "we're gonna find a way home

.....

Ever since that talk they had they have been trying to figure out how to get home. "You have to make a portal" reading from the book. "So how can we do that" asked Heather. "Calm down, I'm reading" Rose replied. "A lightning strike and a hole" Rose said from the book. "Wait...there's a lightning strike next weekend," Heather said excitedly. "Then we just need to connect the lightning to the hole and I think I know just how to do it" Rose explained. "Ok then we have our way home!!!!" "YAY!!!" Rose said screaming with joy. "Huh? What's all the noise?" asked Maya, exhausted and tired. "UM we were just studying for the test... yeah that test" replied Heather. "Oh ok" said maya then she yawned "alright come go sleep now..." seconds later she was sleeping like a baby." Ok she's right we need sleep" " yeah I guess you're right"

The next day...

"So um I have a question?" Asked Jacob. "Yes? Go ahead" "um so can u join us at night?" Asked Jacob. " um..ok..." answered rose.

In the night...

"So this is our area, where we hunt" Jacob explained "ummm ok" once she saw the area she realized she made a HUGE mistake. "Oh no...this is..." Rose thought. This was where werewolves transform into wolves. "Crap my time has come..." Rose thought. "Ok let's go," said Jacob happily." They all became werewolves. "Come on, transform" Jacob said in an annoyed tone. "Bye mom bye dad, see you guys in Heaven" Rose thought, but all of the sudden when she tried she actually did become a wolf. " OMG THAT WORKED???" She was super confused as he was hunting with the others. She thought she was a human. "Wait then my parents have been lying to me??" She questioned her whole life in her thoughts. "Why didn't my ears appear sooner???" Rose thought. They ended up catching 26 deers. Rose caught seven of those deers. And at the end they all had a wonderful time eating the deers. "So umm what did u think do u wanna come again?" Rose had thought about it, her parents did lie to her, and she actually was a werewolf, so what's the worry? But something told her not to like a gut feeling, so Rose said. "I will think about it" "oh well ok tell me your answer at our spot" "ok see you then I guess" Rose replied.

At Rose and heathers night talk....

"So yeah I'm a werewolf now" Rose announced "Ummm Rose?" "Yes?" " I cast a spell to make you a werewolf for 24 hours to protect you from getting eaten" heather said finally.Rose was silent for a minute then finally screamed.

"Wait what??? HOW DID YOU KNOW?????" "I heard rumors." Heather answered. " oh.....ok....." Rose suttered. Rose and heather then went to bed having mixed feelings . She then realized right there that she LOVED Jacob,but she knew she couldn't have him because of their species.

The next day

"So um what's the answer?" "well...due to some circumstances I can't...I want to but...yeah..." answered Rose. "Oh...well ok...see you around" mumbled Jacob. Jacob went to the tree early, and Jacob saw Rose and her friends. So he decided that he was gonna listen. Little did he know he was in for a BIG secret. "So how can we connect the wires?" asked Heather. "Rose?" Rose was in deep thought all day today. "ROSE!!" "Oops sorry I can't just stop thinking about it." "What is it?" asked Heather. *What could it be? Just say it already*, Jacob thought. "I like the alpha, and he has a sweet side to him" (she....Likes me??) "But I know I can't be with him...." *Why?* Jacob thought. Then Heather said, "Well gotta go. Have fun with your boyfriend." "HEY," Rose screamed. "Ok, let's read," Jacob said, popping out of the bush. "AAAAHH, you scared me...how long have you been here?" asked Rose. "Well I just came and wanted to give you a surprise," answered Jacob. "Well let's get into it I guess." So the two were reading the whole day. Maya came and asked Rose, "Um school is over. Why didn't you come to class?" "OMG I'M SO-" Rose stopped. They both looked at each other. *Just like the first day*, they both thought. "Ok I guess we will get going then," Rose said, getting her stuff. "Well ok let's go back then!" Maya exclaimed. Rose felt VERY dizzy as she went back to the dorms. Something didn't feel right... she thought as she was doing her homework. Then she decided to go take a walk. Little did she know she was in for the worst. She was also talking to herself about everything, she didn't know that she was talking out loud, And someone was listening to her. Then she sat on a bench, looking all tired. "Your.....Human.....?" "I know that voice....Jacob...."

.....

"Yes it is me Jacob" announced Jacob. "Umm please I can-" "don't worry...I won't say anything..." "well thank you very much" "besides I love you too much to do that" "wait what?" "Also I don't need you to say anything I already know" said Jacob happily. "How do you know I...umm..well like me?" "Well today remember when I said I just came" "yes?" Replied Rose. "Well I was actually lying about that I listened enough to know that" answered Jacob "oh...then you must already know" "yeah well I was actually thinking to come with" "wait really? Wait but what about your li-" "oh well I don't really have much of a life here..." "oh well ok I'll tell Heather that you're coming with us" "ok well you should get home it's 12:49 am in the night you need to get some rest." So Rose went back to her dorm. Jacob knew this was the right decision, because this would be a fresh start for him.

The next day

"So in our history class today we will be ta-" "AAAAAAAAAAAAAAAAAAAAA" everyone immediately went to see what was happening. And there was a boy from a class and screamed "SOMETHING TOOK A GIRL AND THE ALPHA!!" Rose's heart sank..."no.....I have to find them..." she thought for a moment then said. "I will find,boy..were did they go?" The boy pointed north. "Alright then north I'm going then..." they ran and Maya followed screaming "WAIT FOR ME" they eventually went to the forbidden parts of the school but went there anyway. They then found them in a newly discovered room, Where they were tied up. The person that kidnapped them had a mask so I couldn't tell. "Well well looks as if you found me" "I might as well" the kidnapper said. This guy then

knocked Rose and Maya out. The next moment Rose woke up in the hospital not remembering anything that happened or the fact that they were kidnapped. For some weird reason no one else remembered as well.

Chapter 5

The return of the grey...

It has been two days since the incident and Rose and Maya still don't remember anything. Everyone thinks that they went on a trip somewhere. It was also predicted a day until the lightning stroke. Rose had a feeling it wasn't a trip, because they needed to go do the plan to leave the dimension. "So umm I think we should explore the north of the school Maya," Rose whispered. "WHAT???" "ARE YOU CRAZY???" "THE SCHOOL IS GONNA KILL US." "I know but... I think we should go there," said Rose. "Well..ugh fine only at night though," Maya replied. "Ok we go tonight," Rose said, feeling a little more glum than normal.

That night.....

They went to the north of the school. "Are you sure we should do this?" asked Maya. "Yes I think there's something here. I just need to find it," Rose replied. "MMMMMMHHHHHHH" They heard a strange noise. "omg there's a person here???" Maya asked, still shocked. "We need to find the noise." So they followed the noise for ten minutes until finally finding the room. They were very surprised to find that Heather and Jacob were all tied up. "OMG ARE YOU GUYS OK???" "MMMMMM-NO WE NOT OK THERES THIS" screamed Heather "BE QUIET HEATHER otherwise they will hear us..." Jacob screamed back. "oh I have already heard you" the kidnapper said in a happy tone. "WHO ARE YOU AND WHY DID YOU KIDNAP OUR FRIENDS!!!!" Maya screamed. "Oh I will explain everything." "Rose you might recognize me" this person pulls off the mask to reveal. "OMG ARI?????" Rose screamed. The twin sister everyone forgot, and oh! That's me, the narrator, also known as ARI!!! "I'm sorry what???" Rose freaked "Yup I was the one sent to this dimension AND Heather. "WHAT ME TOO???" Heather screamed in fear, also by the way which I LOVE. Ok ok back to the story. "Fine I'll tell you how you stole Everything from me...." "umm ok?" "So ten years ago me and Sam were BEST FRIENDS" "THEN YOU ROSE CAME OUT OF THIN AIR AND TOOK EVERYTHING FROM ME!!!!" I screamed. "MY PARENTS, SAM , EVERYTHING!!!!" I screamed again. "Then I learned magic first I accidentally did on a random girl who by the way is YOU HEATHER." "Then I did it on YOU ROSE!! I know YOU LIKE THAT TREE SOOOO MUCH SO I ENCANDED A LIGHT THAT LEAD TO THE PORTAL!!!" I screamed. "WHAT??" Rose screamed (I was so happy by the way). "YUP and now...IM GOING TO ERASE YOUR MEMORY AND YOU GUYS WILL ALL BE MY SLAVES!!!!" "WHAT NOOOOOO!!!" Rose cried wet with tears. "I

HAVE SO MUCH TO LIVE FOR!!!!" Maya cried. Soon everyone was sobbing, except for me of course! but sadly the universe didn't turn to my side. You will find out in the next chapter.

Chapter 6

Light v.s dark

"NO I WILL NOT SUFFER!!!" Rose...ugh Yasmeen do I HAVE to!!! Yes Ari it's a huge part of the story. Ugh ok, Rose then did a double backflip and SOMEHOW unlocked the secret door..."EVERYONE RUN!!!!" Maya, Heather, and Jacob, all ran through the door. Me running at them screaming "YOU BETTER COME BACK HERE!!!!" "Alright now all we have to do is..unlock the chain with a Special key and we can go back!!!" Rose said happily. "Yeah but how?? There are a lot of doors and a very small key" " umm actually I don't know if anyone noticed but Ari has the keys in her pocket..." mumbled Heather. "HEY ARI!!!!" "OH FINALLY YOU CAME AROUND" Ari laughed."TIME.TO.BE.GON-"Just then a lightning strike came and opened up a portal just right outside the north of school. "NOWS OUR CHANCE!!!" Rose yelled. Then they all ran outside...and I don't wanna do this anymore!!! Ok fine Ari I'll take over for the remainder of the story,yes please. So umm anyways they all ran. They now went past Ari but now they had to find the door back to the school. "Alright we have one hour before the portal closes so we need to find the door before then." And about ten minutes later they were flipping through doors. "Nope,Nope,Nope" one door had a bunch of birds. Another had lipstick, one had a dragon. "No-" everyone accidentally got sucked into this door. Sense this wasn't the right door, the people of this couldn't see them. "Huh?" Jacob was confused as ever. "Huh...wait that's Sam and Ari !!" Rose exclaimed. "And looks that are friends" Maya explained. The two we're having fun and playing. Then Rose came, "wait that's not how I remember it..." Rose said, all confused. Rose looks like she had red eyes and very pointy teeth like a vampire. Then she had lightning strikes all over Ari,and everyone else seems to be ignorant and doesn't notice according to the door. "Omg that is not me!!!" Rose exclaimed. "Maybe that's what she thinks of you, which is probably why she has a personalized door for her sadness" Heather Explained. "Oh....." Rose was silent then said "come let's keep looking for the door." They were all checking doors again. Then they got sucked into another. "OoOoOoO this one has dragons" Maya exclaimed. And pet one of them. Then 10 minutes later they found the door. Rose then said " Ready to go?" "You betcha" Maya said excitedly. They went through the door and went back inside the north of the school. They jumped in but just then. "AHA GOTCHA!" yelled Ari. Ari had tied her legs with a lasso. "Wait... no please... wait" Rose begged. "What is it?" asked Ari. " Look, I know I practically ruined your life. I saw the door with the whole vampire thing. And I know you probably hate me," said Rose. "Yes I do. I do... a lot," replied Ari. "I know you have magic and stuff but why can't you just use it on that and get a fresh new start is it being with Sam I mean it's fake love when you really think about it. You're removing me and then you get to have Sam all to yourself. That's not how life works. Life works with true friendship you don't need other people to remove just to get them. I think you could have

a wonderful fresh start if you just try to let go of the past. You don't have to see me ever again and you can get a fresh start." "I mean that would sound nice," Ari admitted. "So why do you want to stop others from doing that too? It's just going to waste your time so please let us go....." Rose finally gave out a huge sigh for all the talking. Ari thought about it. Yeah I did think about it, Let me finish. "fine I shouldn't have to waste any of my time on you so..... I'll let you go..." Ari let go of the lasso. And they were immediately sent back. The end- not so fast Ari we still have more to tell. What really? Yep we have one other piece of the puzzle, that you don't necessarily know so I'm going to tell this part. So anyway, Rose woke up in a very familiar situation. (What...what happened...my...my head...) Rose thought she woke up in the hospital. So she thought it was finally over.but then she realized she was not in a hospital, but instead a car. What that makes no sense. ARI, I know I know. *ahem* ANYWAYS. She was in the car and she was silently freaking out. *HUH THIS MAKES NO SENSE WHY AM I NOT IN THE HOSPITAL!!!* She realized she was also parked to school. The first instinct in her brain was to get out of the car and walk to the school. So she did and the moment she stepped in she realized something horrifying. *EVERYONE HAD WOLF EARS* Rose was very confused. She then bumped into somebody. *This was all too familiar* Rose thought as she was getting her stuff. "Oh my god I am so sorry-" then her heart sank.The alpha looked at her and was so shocked then he just walked away.everyone around then was shocked at what they just witnessed. Rose walked to class very confused. It was science class *just like the first day* Rose thought. "Ladies and gentlemen, boys and girls, may I introduce you to our new student, Rose Affrontz!" She walked to class and everyone immediately recognized her. *It's the looks I had just like the first day, Rose thought.* Rose came out to pull out her book with the same book she read in the middle of the class. On that first day, she decided to re-read it because, why not! She was Quietly reading her book when someone interrupted. "Psst"" huh" she came to look around and immediately realized it was Maya...." Hi are you the student that the alpha just walked away from with a shocked face" (oh my goodness!!!! What is going on??? This cannot just be a coincidence anymore... They talked and they read the same book to the giver again. She was paying close attention to everything. Then after Maya left, Jacob came and sat next to the tree. "Why is everyone acting the same when you arrived?" Jacob asked Rose. "I know everyone is acting exactly the same as they did that day" The two were talking about what kind of theories there were about this coincidence and then the end of the day came around. Maya came to a big Abrupt when she saw the alpha. "Umm Rose? What are you doing sitting next to the alpha?"

That's when they both looked at each other. "anyways do you know they were actually in the same dorm cool right! Anyway, I'm gonna go to my dorm and keep talking with the alpha I guess!" Maya said as she walked away. They both looked at each other and realized at the same, all the connections of today both said at the same time

"We're living in the same year again...."
